

NEBRASKA

MISSIONS

BIKE RIDE

BORDER TO BORDER NE

Sept 4-10, 2017

Join us on our annual ride across Nebraska to raise funds for Missions. Our focused Missions Project is the field of Tajikistan. We're asking everyone to raise their funds on behalf of a new STL Vehicle for this Mission Field.

We'd love everyone to join us for the entire week, but you can still participate if only for half the week (3 days) or even just one or two days of your choosing. Riders can ride at your own pace, as many miles a day as you like, with our staff driving the route behind us to provide support with food, supplies, and rest.
