## **'Camp within a Camp'**

*For young children of staff members during Nebraska District Camps*

It's our desire to see whole families come to camp. We know that this is a challenge for those with young children, who tend to 'get lost in the shuffle'. In an effort to make it more feasible to bring your young children with you to work at camp, we've developed this program.

- \* Cost - \$95 per child (includes food, room and board, pay for workers, and some supplies)
- \* HS, Jr Teen, and July Youth Camps: Children 3 yrs old - 4th grades
- \* Kids Camps 1 and 2: Children 3 yrs old - 1st grades
- \* Mom or Dad must be volunteering at camp as well in positions like kitchen, rec staff, popstand, audio/visual, maintenance, go-carts, etc. (Preferably not dorm leaders)
- \* Purposes – provide care and safety for children while parents are working; foster spiritual growth in the young children at camp; give them a great camp experience!
- \* Leadership – 1 leader for every 7 students
- \* Bring an extra sleeping mat/bag (beside the one for overnight) that can be left in the precamp room for nap times and late nights
